Client: Entyr

COMPANY OVERVIEW

At Lyntra, we believe that progress is driven by purpose. Founded on the principles of honesty, collaboration, and purpose, Lyntra was established to provide innovative engineering solutions and exceptional project governance.

Our mission is to partner with clients across industries to deliver projects that not only meet expectations but set new standards in efficiency, safety, and sustainability. Whether it's electrical engineering, mechanical systems, or comprehensive project management, Lyntra is committed to realizing your vision and creating meaningful impact.

While Lyntra is a new name in the industry, it is built on a foundation of proven expertise. Drawing from years of experience in

engineering and project management, our team is equipped to navigate complex challenges and deliver solutions that prioritize people, integrity, and purpose.

At Lyntra, we take a proactive approach, focusing on the complete project lifecycle—from concept design through to operation and maintenance. By prioritizing collaboration and investing time during early stages, we ensure every project is grounded in solid foundations, preventing costly setbacks and delivering long-term value.

Guided by our core values, we are passionate about building relationships and driving progress that benefits clients, communities, and industries alike. With Lyntra, you're not just completing a project—you're making a difference.

CORE VALUES

Honesty

At Lyntra, integrity is the foundation of progress. We build trust through transparency and accountability, ensuring every step forward is taken with confidence and purpose

Collaboration

Collaboration fuels our purpose. By working closely with clients, partners, and teams, we create innovative solutions that drive progress together

Purpose

Our work is guided by purpose. At Lyntra, every project is an opportunity to create meaningful, lasting impact, driving progress toward a better future

GUIDING PRINCIPLES

People First - We believe progress is powered by people. We prioritize the well-being of our team, clients, and stakeholders, ensuring that every decision considers the human impact.

Integrity Above All - We commit to honesty and transparency in every interaction. Our reputation is built on trust, and we strive to uphold it through ethical practices and accountability.

Teamwork Makes Progress Possible - Collaboration is the cornerstone of our success. By fostering open communication and mutual respect, we bring together diverse perspectives to create innovative solutions.

Purpose-Driven Decisions - Every action we take is guided by a clear sense of purpose. We focus on delivering meaningful outcomes that drive progress for our clients, communities, and industries.

Continuous Improvement - We embrace challenges as opportunities to learn and grow. Our commitment to excellence drives us to refine our processes, elevate our skills, and adapt to changing needs.

OUR SERVICES

Project Planning and Scheduling - Development of detailed project schedules, timelines, and milestones.

Pre-Feasibility Studies - Early-stage assessments to evaluate project viability and identify risks.

Budgeting and Cost Control - Preparation of project budgets, financial monitoring, and cost management.

Documentation Management - Creation and maintenance of essential project documentation, including scope, risk, and quality plans.

Risk Management - Identification, assessment, and mitigation of project risks.

Stakeholder Engagement - Managing communications and relationships with all project stakeholders.

Contract Administration - Oversight of procurement, contract negotiation, and management.

Resource Management - Allocation and optimization of resources, including personnel and materials.

Performance Monitoring and Reporting - Regular progress updates, KPI tracking, and post-project evaluations.

Change Management - Management of scope changes and ensuring alignment with project goals.

Commissioning and Handover - Overseeing final stages, including testing, commissioning, and transitioning to operations.

Compliance and Governance - Ensuring adherence to industry regulations and standards.

Tender Preparation and Evaluation - Assisting clients in preparing or assessing tender submissions.

Construction Management - On-site project management and coordination of construction activities.

WHY OUR CLIENTS CHOOSE US

- **Tailored Solutions:** We prioritize understanding our clients' unique needs to deliver customized, outcome-focused project strategies.
- **Proven Expertise:** Our experienced team ensures every project is executed with precision, efficiency, and adherence to the highest standards.
- **Collaborative Approach:** We work closely with stakeholders at every stage, fostering open communication to achieve shared success.

“Working with Lyntra has been a seamless experience. Their tailored approach, deep expertise, and commitment to collaboration have consistently delivered outstanding results. From concept to completion, they’ve ensured every aspect of the project is handled with precision and care.”

Andrew Drennan, CEO, Entyr
